

Certification of Employment

Maria Lilja, born 8 October 1958, was employed from 1994 to 2009 as a teacher at Gotland School of Art, supervised by the state at the Swedish School of Professional Education.

Initially (1994-99) Maria Lilja taught at short courses, from the summer 2001 to summer 2009 she was employed at 50%, teaching fine art at Gotland School of Art.

Maria Lilja mainly taught in the one-year program Fine Art. Additionally Lilja participated in developing new courses and programs.

As a teacher at our school Maria Lilja showed a large degree of independence, a good organizational ability as well as distinct contact and collaboration characteristics, in addition to educational skills.

Maria Lilja was a very competent and appreciated employee. We can only congratulate future employers for the pleasure of having such a dedicated teacher.
